

M. FIRON & CO. ADVOCATES

ADMINISTRATIVE LAW, TENDERS AND REGULATION

M. Firon & Co. is one of Israel's leading and most experienced law firms in administrative law and Tenders' laws and regulations and is consistently ranked by both national and international ranking bodies in the top-tier quality rankings, year after year.

The firm has many years of experience in advising and representing leading companies in their relationship with the administration and Government ministries. The firm has been involved in numerous important petitions before the administrative courts and the Supreme Court of Justice that set fundamental principles in a broad range of administrative, constitutional, and public issues. The firm also enjoys the highest reputation in the field of tenders and is acknowledged for its achievements. The experience in Administrative Law derives from the team's accrued involvement over many years with the work of many administrative agencies and familiarity with the way they operate. The Firm frequently represents administrative agencies, Governmental companies, security, military and defense entities, and public authorities in a range of proceedings of. The head of the Department served for many years as the head of the Supreme Court's Petitions Department, the constitutional and administrative department in the State Attorney's Office.

The Department is also well experienced in the legal world of tenders, from drawing up tenders, routine support of tenders' committees, providing complex opinions and representing clients in connected administrative petitions. The Department specializes in regulatory affairs and advises on a wide range of issues involving government agencies including supporting legislative proceedings before the Knesset committees, activities before the various regulators (including the Gas Authority, the Electricity Authority, the Supervisor of the Capital Market, the Competition Authority, the Israel Securities Authority and various government ministries. The Department routinely advises on complex regulatory-legal proceedings to the leading companies in the market and is also very experienced in initiating and supporting large scale economic reforms e.g. in the hotels, food, agriculture, and broadcasting sectors.

The Department also represents and advises the Firm's clients in planning and construction administrative laws, including appearances before planning institutions, and in all civil and criminal courts (demolition orders, closure orders, indictments for building without a permit etc.). In the auditing sector, the Department has vast experience in representation clients before the State Comptroller's office on all matters. The team also accompanies clients in structuring and implementing self-auditing and compliance programs, identifying, and treating defects and integrating the changes into the company. The Department also offers representation before the Auditing Commissioner of the State Attorney's Office and the Registrar of NGOs.

The firm's clients in administrative law, tenders' law and regulatory affairs include municipalities, authorities, public and private companies, bi-partisan organizations, and the largest and best-known public organizations in Israel as well foreign companies and businesspeople.
